

Tabla Course Levels at Tabla Nawaz Academy

1. Prarambhik Part-1 – ₹1,300

Prarambhik Part-1 is the starting level for students beginning their tabla journey. It introduces fundamental tabla techniques, basic bols, hand positioning, and elementary rhythmic exercises.

This level is ideal for beginners who want to understand the instrument and establish good playing habits from the beginning.

2. Prarambhik Part-2 – ₹1,400

After completing the first stage, students can move to Prarambhik Part-2. This level builds upon basic techniques and introduces more rhythmic patterns and compositions.

Students begin developing greater control, accuracy, and familiarity with taal.

3. Bhushan Part-1 – 1st Year – ₹1,600

Bhushan Part-1 marks the beginning of the first-year Bhushan level. Students continue developing their technique while working on increasingly structured compositions and rhythmic exercises.

The focus is on strengthening fundamentals through consistent practice.

4. Bhushan Part-2 – 2nd Year – ₹1,700

In Bhushan Part-2, students progress to the second year and encounter more developed rhythmic concepts. Regular practice becomes increasingly important as compositions and playing techniques become more challenging.

5. Bhushan Final – 3rd Year – ₹1,800

The Bhushan Final level completes the three-year Bhushan stage. Students consolidate the skills developed during the previous levels and prepare themselves for more advanced tabla study.

Advanced Tabla Levels

6. Visharad Part-1 – 4th Year – ₹1,900

Visharad Part-1 takes students into a more advanced stage of tabla education. Greater attention is given to rhythm, presentation, compositions, and performance-oriented learning.

7. Visharad Final – 5th Year – ₹2,000

The Visharad Final level represents the fifth year of the course. Students continue refining their musical understanding and tabla performance skills while working toward greater confidence and precision.

8. Bhaskar Part-1 – 6th Year – ₹2,500

Bhaskar Part-1 is an advanced level intended for students who have developed a substantial foundation in tabla. The curriculum can help students further explore complex rhythmic ideas and advanced performance techniques.

9. Bhaskar Final – 7th Year – ₹3,000

The Bhaskar Final represents the seventh and final stage listed in this progression. It provides an opportunity for dedicated students to bring together years of technical and rhythmic training.
